

# JUNI

Gin Lab | Restaurant | Bar

## MENU

Just like they traditionally do in Serbia, at Juni we encourage sociable eating and sharing. Our small plates menu is designed to be shared with the entire table.

As a guide, we recommend two small plates per person (and a side if you're feeling hungry!) as well as the bread and dip selection to share.

Please ask your server for more information on our entirely home-made dishes or their personal favourite
